We publish a monthly newsletter and hold monthly meetings during the "driving season," March through November.

Our activities include road trips and various shows throughout the area, a winter game night, a family picnic, and occasional special events.

Families are encouraged to participate in Club activities. Spouses and children through age 17 are included in your membership.

**CADILLAC & LASALLE CLUB**

The 7,000 members own collectively in excess of 10,000 Cadillacs and LaSalle's from 1902 to the present.

All Cadillacs and LaSalle's are recognized.

The Club is managed by elected officers and a Board of Directors who volunteer their time.

There are more than 45 active regions throughout the United States and nine international affiliates, and seven chapters for distinctive models. Local activities usually include periodic shows, swap meets, socials, tours, exchanges of technical information, news bulletins, etc.

The National CLC conducts a "Grand National" annually which rotates around the country. Members from England, Australia, Canada, Denmark, France, Mexico, and New Zealand have been in attendance.

The National CLC publishes a quality monthly magazine, the "Self Starter", which includes national and regional news, stories, and photos by owners about their cars, restorations, experiences, etc.; technical advice, questions, answers, tips; and the largest Cadillac/LaSalle For Sale and Wanted classified sections free to members.

An International Membership Directory is published annually, and offers a wealth of valuable information regarding membership, cars, and technical support.

The CLC Director of Technical Services and a cadre of CLC Technicians are available to members for sharing their knowledge and experience on restoration needs.

Visit our website at [www.cadillaclasalleclub.org](http://www.cadillaclasalleclub.org) to find info on everything the club has to offer.
